TOP SECRET

Joint Intelligence Group

JIGM-158
21 July 1949

25X1A

MEMORANDUM FOR: [REDACTED]

Subject: Estimate of the International Situation

References: a. ORE 60-48, dated 28 September 1948
b. JIC 464/D

1. The Joint Intelligence Group has a requirement to prepare a current estimate of the international situation suitable for use as a basis for determination as to whether United States defenses overseas should be maintained on an emergency basis.

2. It is believed that reference a if revised in the light of developments since publication, will serve as a suitable basis for preparing the estimate required by reference b. Therefore, it is requested that the Central Intelligence Agency review ORE 60-48, considering particularly the period of the next two years, and furnish the results of the review to the Joint Intelligence Group.

3. It is further requested that the Central Intelligence Agency effect coordination with the other intelligence agencies.
